Date Correction Tues. March 3rd

SPRING IS SPRINGING and our Water is flowing!

Thanks to the quick actions of our wonderful Memorial Villages Water Authority, our water system is safe, secure, and uninterrupted. They will not introduce any City of Houston water into our system until they test it to ensure our safety. Great work here to protect our system! ***NOTE: Riverbend subdivision and Huntington Cove are supplied water by the City of Houston.***

-Today it the last day to early vote at the Mendenhall Center on Wirt @ Westview till 7pm, or any other polling place, you no longer have to go to your home location.

-This Sunday, March 1st, 2pm is the 10th annual First Congregational Church (on Brogden) Piano Festival. Free admission and some gifted local musicians performing the classics.

-This **Tuesday, March 3rd** is SUPER TUESDAY ELECTION DAY! Our Hunters Creek precinct elections will be held at our city hall on Brogden. 7am-7pm as usual. There will be another precinct voting at the church next door, so it may look confusing, but it's not. Get out and vote! Many of our National, State and local officials are up for election that directly affect our lives here in the Villages so do your homework and choose those who will represent us well.

-Remember Arbor Day Tree planting still has some trees remaining, so get your request into Jessica @ City Hall 713-465-2150.

OK, that's all I got. Don't call or text me on Election Day about where to go or what time to vote, cuz it's all above!

Enjoy this great weather, summer's coming....
