Merry Christmas and Happy Holidays to all!! Here's the year end message:

If you haven't been by, come to City Hall after dark and see what a great job Alex and Elmer did with our lights, it's AWESOME!

Starting Dec. 28 thru mid- January, we will have a big dumpster behind City Hall for ONLY CHRISTMAS TREES AND WREATHS!! (Remove Tinsel) Nothing else please, or WCA will not pick up. No yard waste or limbs, just TREES! All of the collected trees will be made into Mulch and Recycled.

Our next LTC (License to Carry) handgun class is Wednesday, January 15, 2020, 5:30 pm Creek City Hall. This will fill up quick, so schedule now if you want to attend.

EMAIL RANDY TO RESERVE YOUR SPOT. rcw@allservicescorp.com

*This is not an endorsement of any pro-gun or anti-gun platform. It is simply an effort to provide gun safety and licensing to the many residents who have inquired about it and did not know how to go about getting the information. Attending the class does not mean you have to get a License, it's just good information to know.

\$75 per licensee for the 4-hour instructional course and all associated paperwork. Cash or check only. Must be over 21 and no felony convictions. Gun range live fire test to be administered separately. Limited availability of 50 participants.

We had to close off the sidewalk on the west side of Voss across from 2nd Baptist, as the cracks/holes were too dangerous for pedestrian traffic. We are in the process of determining the cause and getting it repaired soon, sorry for the inconvenience.

New Recycling program info coming out first week of January, so we're close to glass recycling, stay tuned. I know we'll have plenty of bottles over the Holidays...

It's been a great year. Our Staff is excellent as are our Council and Boards. Thanks to all for your service. Another year with no debt, full coffers and lots of good things coming in 2020. 2020...wow. Haven't written that before. Thought we'd be flying with jetpacks by now....and what happened to the metric system?....

OK, you knew it was coming, so back by some popular demand, here it is....
