SWEATING....FREEZING....SWEATING....FREEZING....ahhh...Fall in Houston.....

Baseball season is finally over and we can get some rest.... Congrat's to our Astros Neighbors on a great Season. We came up a bit short, but you made us all proud!

Here are a few Fall items of note:

-Looking for a place to volunteer? Want to give back to our local community? Be a Mentor! Spring Branch Middle School is looking for Mentors to volunteer their time to help local kids. I've done this and it's a great program. No training necessary and a very worthwhile cause. Contact Nelda at Nelda.Zuniga@Springbranchisd.com for more information.

-After extensive negotiations/beatings, our Trash and Recycling programs are about to be renewed and fixed for years to come. It looks like we will be saving upwards of 30% annually from what we've been paying and the recycling program will be expanded. The annual savings will be over \$250,000/year from what we've been paying and they will take Glass recycling....so drink up! This is a HUGE deal for us and the savings will be used to speed up our road and outfall/drainage repairs.

-License to Carry Class resumes Wed. Nov. 20th @ 5:30 pm at Hunters Creek City Hall.

First come, first served, so sign up now. PLEASE EMAIL RANDY TO RESERVE YOUR SPOT. rcw@allservicescorp.com

-Hunters Creek Elementary demolition will begin in late December. Get ready for a real mess for a few months through the Spring, but when completed, it will be awesome.

-2nd and possibly last "Cocoa, Cider and Carols" will be held in December....notice to come. Hopefully will be better attended than last year, so please put it on your Calendar when scheduled.

-Our beautiful Pavilion at City Hall is ready for your Holiday parties, Christmas dinner, whatever you want. We have colored lights....very festive. Call Jessica at City Hall to reserve and it's free.

-Going away in the coming weeks? Remember to put your home on House Watch with the MVPD for peace of mind while you're gone. A simple phone call gets it done (713) 365-3700.

OK, that's all I got.

Happy Fall, Happy Thanksgiving!

Jim Pappas, Mayor
