

City of Hunters Creek Village Phone: 713-465-2150 www.cityofhunterscreek.com

Today's news:

OK, here's the deal:

Today's announcement from our County Judge doesn't change anything for us in Hunters Creek.

-you can still go for a walk, walk the dog, ride your bike and play outside.

-you can still go to the store, run errands.

-you can still pick up and have food delivered.

-you can still go to work if you have work.

Please practice social distancing and washing hands often. Carry hand sanitizer for any unexpected encounters.

Bottom line is practice PERSONAL RESPONSIBILITY. Government can't fix much, especially all of our problems and they can't ever take the place of personal responsibility.

Everyone take care of themselves and their families and we'll be fine. PRAYER for our leadership/nation/state/city/village is HUGE.

Please continue to push anyone who hasn't signed up for our notifications to do so.

OK, that's all for now

Jim Pappas

Mayor
