## GOOD MORNING HUNTERS CREEK!

Blink.... Summer's almost here. Crazy how fast snuck up on us, another week or two and school will be out.

Here are a few items of note before everyone heads out on vacation or tunes out for the Summer:

-High school senior car parades this Saturday, see the flyer attached hereto for more info. Go out and celebrate our Grads!

-License to carry handgun class is Wed. May 18<sup>th</sup> @ 5:30pm. Please email Randy to sign up - [rcw@dynamicdefense.solutions](mailto:rcw@dynamicdefense.solutions) This will be our last one until end of summer, so get it done if you want to.

-July 4th Villages parade will be on Monday the 4<sup>th</sup> Please contact Tom Fullen - [tfullen@cityofhunterscreek.com](mailto:tfullen@cityofhunterscreek.com) if you want to participate. More information from Chief Ray Schultz at the MVPD to follow in the weeks to come.

-We've had issues on some streets with residents putting obstructions (rocks, boulders, small fences) in the City right-of-way's (first 10' from street). Our Police and Fire are very against these obstructions, especially on narrow streets as they limit the access, and they are illegal per our City Ordinance which has been in place for years. The gravel parking strip or other hard surface are allowed and very much preferred. If you want us to come removes your rocks, boulders, or whatever, let us know at the City and we will remove and install in our beautiful new Voss road esplanades at no charge.

-Speaking of the Voss Esplanade beautification, they're halfway done, or close, we got held up on getting the required plants, as everyone is planting now, but they're coming. The existing beds will fill in with growth and additional plants in the coming weeks, so be patient please. We do need some rain, real bad, just not a Hurricane.

-Election season is almost over! ...at least till November, so let's get rid of the campaign signs for a few months please! Put them up in say October? Then we'll have a huge bonfire and burn them all after the first cold front. Never have I seen so many signs around. Great that our electorate is involved and passionate, bad that the signs are polluting our beautiful town. Yes, mine are coming down today, and remember, no one cares who I/you are voting for.

-Our beautiful complex behind City Hall is available for grad parties, birthday parties, school ending functions, it's awesome and free. Call Jessica at city hall to reserve.

-Special Shout-Out to our own Hunters Creek resident Dr. Stefan Kreuzer, and his wonderful staff at INNOV8 Orthopedic, who replaced my knee last month and did awesome work! One more to go in June and I'm off to the Olympics.... Senior that is...

-One last reminder about Natural Gas generators, it's getting late to get them installed in time so make the call....

OK, that's all I got. Fall will be here before we know it, so get out there and make it a great Summer!

Jim Pappas  
Mayor
