HOWDY neighbors, Spring has sprung and the green (and yellow) is here!

It's been a while since my last update, and that's always a good thing, but here are some housekeeping items:

-Esplanade beautification has started; beds are prepared and planting will begin next week. Just in time for April showers to bring May flowers. Will look great when finished, just give the crews extra room when driving.

-LTC License to Carry Class at city hall Wed. @ 5:30 pm. rcw@dynamicdefense.solutions email Randy to sign up.

-Food Truck Rodeo is coming up April 2nd 10-2 pm at Chapelwood Methodist Church on Greenbay, (flyer attached). Good time, good food, exotic cars, bring the family out for lunch!

-May 14th is our 4th annual Memorial High Senior Parade, starting at 10am to honor the area Seniors. Always a great event to honor our graduates, come line the route and celebrate them.

-Congratulations to Linda Knox, our newest member of Hunters Creek City Council!

-Welcome to Henry Rivas our new City Building Official. He's well experienced and will fit in nicely to our wonderful City Hall team.

-Arbor Day Tree program continues and planting begins soon to make our 'hood even more beautiful. More pollen too....

-It's not too early to be thinking about that Natural Gas generator you've been putting off. "H_____" (not saying the word) season will be upon us in 2 short months and now's the time to get it done. There are many out there but we use Texas Elite Generators at City Hall and they do a good job with resident preferred pricing, so mention you live in Hunters Creek. Call **832-773-8743** for pricing.

-As always, our Pavilion and Playground are perfect for birthday parties, end of school celebrations, whatever, and it's free. Call Jessica at City Hall **713-465-2150** to reserve.

-Of course, crime is all around us. Remember, nothing is too small to call. If you see something amiss, call the Village PD - **713-365-3700**, they love coming out and checking on us. An ounce of prevention....

All righty then, that's about all I got. Summer will be here before you know it so get ready.
