NOTICE OF DEED RESTRICTIONS
AND
STATEMENT OF ACKNOWLEDGEMENT

By signing below, I acknowledge that I have been informed that there are many subdivisions within the City of Hunters Creek Village (HCV) and that most have deed restrictions that could affect the size, appearance, placement and other elements of a proposed improvement. I have also been informed that there may be differences in the requirements of the deed restrictions affecting the property and the Building Codes and Ordinances that HCV enforces in granting Building Permits.

Generally, deed restrictions are enforced by a homeowners' association (HOA), through an Architectural Review process. I understand that it is my responsibility to contact my HOA, if one exists, and receive approval of any proposed improvement. HCV does not review plans for compliance with deed restrictions nor does it enforce deed restrictions or any other HOA's building policies or rules.

I understand that if HCV issues me a Building Permit for this improvement, it is based solely on the judgment of HCV's Building Official that I have complied with HCV's adopted Building Codes, Code of Ordinances and any other HCV policies that might affect the issuance of such permit. The issuance of a Building Permit by HCV in no way relates to whether any proposed improvement is in compliance with any deed restrictions affecting the property.
