HOWDY NEIGHBORS!

**** Don't Forget to come to City Hall tonight for the SBISD Candidate forum ****

Spring has sprung, the pollen is gone, it's not too hot (yet), not too many mosquitos and it's a great time to be in Houston!

A little over a month of school left and Summertime! Man, it's going by faster and faster, at least to me.

OK, here's the latest and greatest from City Hall:

-Memorial High school Sr. Car parade is Saturday, May 13th Parade Begins 10 am **SHARP *Roads close @ 9:40 a.m.** See flyer attached for more info and to participate. Always a great event, fun way to honor our Graduates, so come out and cheer them on.

-We are hosting a SBISD Candidate forum at our City Hall Tuesday, April 18th @ 7:00pm. See the other attached flyer for more info. We have a great school board, headed up by our very own Chris Earnest as Chairman. Especially in these crazy times, Board members are very important, so show up and get to know the candidates, their positions and how they would affect school policies....(is it affect or effect?...) Yes I graduated from MHS.....

-It's time for another License to Carry firearms class. LTC class on April 26th, at the Hunters Creek Village City Hall at 5:30 pm. Email Randy Woodum to register rcw@dynamicdefense.solutions

-Voss Road esplanade plants have arrived and work starts next week, so drive slow and don't run over the workers. Been a long time coming and we can't have any more delays.

-Major construction coming on Shasta, total redo of the entire street. 3 months of a mess, then it will be awesome.

-New Mast arms are almost complete at Memorial Drive and Lindenwood. They really dress up that intersection and it is our last stoplight project!!!

-Interim Fire Chief Howard Miller is doing a great job at the VFD. Men and women are delighted and as usual doing a world class job in protecting us.

-Congrats to Councilmen Chip Cowell and Jay Carlton for getting re-elected to council and condolences on getting stuck with me for another two years.

-Next Thursday evening from 6-8 at Memorial High School Courtyard there is a charity Crawfish Boil fundraiser for MHS students with mental health issues, \$25 bucks, all you can eat! See another flyer attached.

-All kinds of crazy scams going on and crime in City of Houston is horrible. Remember, no call too small, if you see something sketchy, call the Police! (713) 365-3700. They love busting the bad guys and are very good at it!

-Time to get thinking about that Natural gas generator as we're fast approaching Hurricane season. Brent at Texas Elite Generator services City Hall (832) 773-8743. He's getting busy so call if you need a generator. Tell him you live in Hunters Creek and get the "Hunters Creek hook up".

Ok, that's all for now. Blink and it will be summer and hotter than Hades, but it's a dry heat...
