## HELLO SPORTSFANS!

Spring has sprung, the pollen's gone, here come the Mosquitos!

Don't worry, we began spraying March 1<sup>st</sup> and will continue until the end of October.

Roughly 45 more days till School is out, so get ready....

Here's the latest news around the 'Hood:

-Hunters Creek will be hosting a candidates' forum (see flyer attached) for upcoming elections for SBISD School Board. Come out and meet the candidates for this very important election coming up.

-Our next License to Carry class will be held on Wednesday, May 8<sup>th</sup> @ 5:30pm. This class will familiarize you with all gun laws, and when you complete it and your range qualification you will be ready for your LTC from the state of Texas. Please email Randy Woodum for Reservations (usually fills up fast) [rcw@dynamicdefense.solutions](mailto:rcw@dynamicdefense.solutions)

-See attached also our Gorgeous New Firepit behind City Hall. Built and installed by Cameron Kreager of Cameron Builders. It is a Natural gas fired and chair lined, all right in the middle of our Beautiful City Hall Park....Birthday parties, End of year parties, team parties, whatever, come enjoy this Great Park....all FREE!!!

-I've secured up to \$7 million dollars in Federal Funding for a total re-do of Memorial Drive for the entirety through Hunters Creek. I know it's getting pretty bad, and we're putting off repairs as long as possible as we're replacing the whole thing. Our esteemed Congressman Wesley Hunt secured the funding for us and should be getting going just after the first of the year. I reminded him that it was OUR money that we paid them, he was just paying us back.... Tom Ramsey, our great County Commissioner, will be supervising and actually doing the work, as they are experts at such. Sit tight, we'll get going soon on fixing the road.

-Lindenwood, Shasta, and Pineland repaving is being engineered and will be completed by this Fall. It too is in dire need of repair, sit tight there too.

-Another section of the Voss Esplanade revitalization is about to begin, this time on the south end of Voss, working north to Memorial Drive to match our northern entrances.

-Storm season right around the corner, make sure to order a generator if you want one, they're getting busy. We use Texas Elite Generators at City Hall; they do a good job for us. Tell them you are a Hunters Creek Resident for special pricing.

-Piney Point elections are upcoming and hopefully over soon, so their candidate can get the damn signs out of all the right of ways all over the place!

OK, that's all I got for now.

Get out and enjoy the great weather while it lasts!

Jim Pappas

Mayor
