OK, I lied...here's my last one for the summer...

Gotta do some bragging here, as I often do, but here's one you need to know:

See attached article about Hunters Creek being the #1 lowest tax rate/fees in the region!

Kudos to our Fantastic Staff, Council, Commissions, everyone involved in our HC Governance (except me).

Best Police, Fire, Building dept, back door trash service, roads (except for Memorial Dr which is being fixed), drainage, etc., etc., etc... all for the lowest rates around.

We pay as we go, we have NO DEBT and we scour/shop everything we spend our Tax dollars on.
HEAR THAT WASHINGTON D.C.!!!

Thanks to our Staff, Council, volunteers and Police and Fire for doing an exceptional job.

And special thanks to our Super County Commissioner Tom Ramsey for getting our storm debris picked up so quickly and picking up the tab!

OK, no more from me, enjoy your Summer!
