Hello Sportsfans,

We're back in the swing of things, summer's over, and cooler weather is on the way in another 3 months.

As our entire Community knows, we lost 2 lovely residents in the horrific floods in Kerrville who are now Angels.

With that in mind, please see attached and below an event and a website set up to Honor their memory.

If you so choose, you can attend or donate to them.

Because of the continued delays from the Feds, Metro, and the County, we're going to spend more than I wanted to and repair that bad stretch of Memorial Drive, as it's deteriorated terribly and is becoming dangerous. Last report is that the County will begin total repaving of Memorial starting in October...so they say. We'll probably see Santa and Baby New Year before we see them working, just saying....

OK, that's it, see you Saturday at the Farmer's market,

Jim Pappas

Mayor
