HELLO SPORTSFANS!

I know it's been a while since my last update, but as always, No News from me is Good News. Hard to believe, but 2025 is almost over...went by crazy fast.

OK, here's the news:

-Annual Christmas Holiday Farmers Market will be Wed, Dec. 17th, from 3 pm to 7 pm. Come out and share some Cheer.

-City Hall all lit up as usual, looks magical....go take your Christmas Card picture there.

-Memorial Drive complete repaving will start first week of January. Been a long time coming for sure. The County is paying entirely and doing all the work. Metro kicked in some money, and the Feds have budgeted to pay us back. We will keep their money (as it's ours anyway) for future projects, which no doubt will be coming.

-Congratulations to the Memorial High Mustangs for a great football season and a short but promising playoff run. The future looks very bright for our Mustangs.

-We completed two major projects, Lindenwood, Shasta, and Pineland, and Voss Road repairs. Both were a big hassle for those impacted, but both turned out Terrific.

-Twinkle Light Parade (information attached), always a good time and gets you in the Holiday Spirit, so bring the kids out and enjoy the lights.

-City Hall is once again decorated spectacularly. Also, Saddlewood Park is all lit up, thanks as always to Sheri and Wayne Gross.

-Pavilion and playground are ready to host your get-together, and especially nice with the Christmas lights, so go check it out. Firepit, smokers, we got it all.

-Once again, we have ended the year under budget, fully staffed at our Police and Fire, and haven't had a tax increase in over 6 years. All projects were paid in full with no debt. Who else can say that ?....no one.

(HCAD increases are not my department; take it up with them if your property taxes went up, our rate didn't.)

Lastly, I would be remiss if I didn't wish my Longhorn friends good luck in the upcoming Cheeze-it whatever bowl....I'm sure you all will be watching and cheering on the Texas Aggies compete for the National Championship, as we finished the season No. 7, making the entire State proud.....(did you really think I wouldn't mention it?)

Thanks as always to our magnificent Staff, City Council, various Commissions and Committees, it's a Team effort, and you all are appreciated. Now to start working on my Poem....

Merry Christmas, Happy Hanukkah, and Happy New Year.
