Spring is Springing, a bit early, but welcome! Easily the best time of year to live in Houston.

A few items of note:

-FINALLY, Memorial Drive total re-pavement/rebuild is starting today. You will see many workers on the job that starts at Chimney Rock and goes west to San Felipe....all we care about is to Greenbay, then it's Piney Point's problem. Yes, it will be a hassle and a bit messy, but Memorial needs it badly, and we've waited 3 years to get funding, plans, and all the moving parts in place. The County is doing and paying for the majority of the work (Thanks to Super Commissioner Tom Ramsey), in conjunction with the participation from Metro and the City of Houston. Sorry in advance for the trouble, so don't complain to me, it's the County....

-See attached an interesting pie chart of where our tax dollars go and who gets what. Easy to see what a great value we get for our Hunters Creek taxes. Best Police and Fire in the State, best roads, best drainage, back door trash service, etc., etc....that's what no debt will get you...SBISD gets the vast majority of the \$\$.

-It's not too early to book your spring party at our beautiful pavilion/playground....birthday, graduation, whatever...it's free and very nice! - Call Jessica @ City Hall 713-465-2150

-Big plans in the works for this year's 4th of July parade to celebrate our Nation's 250th birthday, so stay tuned.

-LTC (License to Carry) gun class. Hunters Creek Village City Hall

5:30 To 9:30 Wednesday, March 18th. \$100.00 cash or check at the door

-We blew through our firewood stash at city hall during the cold snap, but we're slowly filling back up. If your tree guy removes trees (he needs a permit), and it's decent burning wood, contact city hall for instructions on how to cut, and we'll take it. This saves you dumping fees and gets us free wood. No pine.

OK, that's it for now,

Jim Pappas
