

# Arbor Day 2009

Celebrate Arbor Day 2009 by planting a new tree (or several new trees) at your home. Once again, the City of Hunters Creek Village, is proud to sponsor planting new trees within our Village as part of the continuing effort to maintain and restore the ambiance and benefits of our forest-like environment as an integral part of our Arbor Day celebration.

Hurricane Ike took a tremendous toll on the trees through out the Villages. Arborists have opined that over half of the tree canopy was lost as a result of the storm. Nearly, every home in Hunters Creek had damage to its trees and many, many trees were destroyed and removed. As a result, this year's Arbor Day takes on additional significance. Hopefully, each of the trees lost in the storm will be replaced along with those lost to disease and age.

As in the past, Bill Bounds Nursery has made tree planting easy for all residents. At the reasonable price (same as before) of \$120.00, Bill Bounds will plant a 15 gallon tree of your choice selected from the list on the Order Form in your yard and guarantee the tree(s) for a year. If you prefer to plant your new tree(s) yourself, the cost is only \$74.00. Planting instructions will be provided when your tree(s) is delivered. Planting and delivery, depending on the weather, is planned for late February 2009.

The City of Hunters Creek Village is continuing major tree re-planting through out the Village on city land. Residents are encouraged to replant trees lost to Ike or natural attrition/construction. Working together, we can restore and maintain the trademark treed environment that makes our neighborhood unique and attractive.

Please turn in your completed Arbor Day Tree Order Form to the City Secretary by February 13, 2009, together with your check. Checks should be made out to Bill Bounds Nursery. Sales tax is included.

Should you have any questions, please call Cathy McCulley, Arbor Day Chair, or Dean Seiderman, Public Works Director, at 713-465-2150.

# Arbor Day 2009 Tree Order Form

**Yes, I want to plant trees in my yard!**

Name \_\_\_\_\_ Telephone \_\_\_\_\_

Signature \_\_\_\_\_
