

Arbor Day 2012

Celebrate Arbor Day 2012 by planting a new tree (or several new trees) at your home. The extreme drought conditions of the past year have been devastating to the City's tree canopy. Many trees have been lost in the City's right-of-ways and on private property. Once again, the City of Hunters Creek Village is proud to sponsor planting new trees within our Village as part of the continuing effort to maintain and restore the ambiance and benefits of our forest-like environment.

Residents are encouraged to plant new trees at their homes. Working together, we can restore and maintain the trademark treed environment that makes our neighborhood unique and attractive. If you want to participate, but do not have a place for a new tree, please send your check to the City with a note to that effect and a tree will be planted in Hunters Creek on your behalf.

Again this year, Bill Bownds Nursery has made tree planting easy for all residents. Bill Bownds Nursery will plant a 15 gallon tree of your choice from the selection offered on the list for \$120.00 in your and will guarantee the tree(s) for a year. If you prefer to plant your new tree(s) yourself, the cost is only \$74.00. Planting instructions will be provided when your tree(s) is delivered. Planting and delivery, depending on the weather, is planned for **February 29, 2012**.

Please turn in your completed Arbor Day Tree Order Form to City Hall by **February 22, 2012**, together with your check. **Checks should be made out to Bill Bownds Nursery**. Sales tax is included.

Should you have any questions, please call City Hall at 713-465-2150.
