I hope everyone is having a wonderful summer. No basketball...no Hockey....only Baseball.....college Football season is 75 days away....hang on....

Here below are a couple of items of interest:

-If you have not picked up the street sign you agreed to buy initially, they are hitting the secondary market next week, so GO GET THEM! Great dorm room decorations so your College kids won't forget you.

-If you signed up to take any of the classes we are offering, (CPR, LTC) PLEASE ATTEND THEM OR CALL CITY HALL AND CANCEL. Last month's CPR class was all full the day of the event and 3 people showed up.....not good. We could have filled it with other signees.....PLEASE RSVP IF YOU ARE COMING OR NOT.

-It's vacation time. Please register your house with the MVPD if you are leaving and place it on "House Watch" so our guys know that you are gone and will take extra care in making sure all is secure.

-Please remember that ALL golf cart drivers must be licensed drivers (car license). I have seen many underage drivers on the roads. It is very dangerous and your insurance does not cover any liability or damage should an accident occur..... not good. I know it's fun, but it's dangerous.

-LTC (license to carry) handgun class is Wednesday, June 20th at Hunters Creek City Hall. This will be the only Summer class so sign up soon. First come first served, so sign up now.

**This is not an endorsement of any pro-gun or anti-gun platform. It is simply an effort to provide gun safety and licensing to the many residents who have inquired about it and did not know how to go about getting the information. Attending the class does not mean you have to get a License, it's just good information to know should you so choose. We offer CPR classes also, so sign up for those too, if interested.*
