We're back in the grind....work, school, sports, kid stuff....repeat....Man, summer went by quick..

Here's the News:

-Our Voss at Memorial intersection Mast Arms fabrication is almost done and installation will be complete in a couple of months.

-Our outdoor pavilion behind City Hall is under construction, though the rain has slowed us up a bit, hopefully useable by mid-October. Book your holiday parties/activities/meetings through Jessica at City Hall, first come, first served. No charge to residents.

-The next **CPR class** will be at City Hall on **Tuesday, October 2nd at 6:00 pm**. Jessica will be calling those who have signed up already to insure attendance. If you are not 100% sure you can come, PLEASE let her know so we can fill from our wait list. **713-465-2150**

-The next LTC **License to Carry** class will be **Wednesday, October 10th @ 5:30 pm**. Please email Randy at RCW@AllServicesCorp.com to sign up.

-This **Saturday, September 15th**, we will have another installment of "**Ask the Mayor**" at the **Farmers Market from 10:30am to Noon**. Come by with any questions/concerns/comments or just say Hi.

-The wall on the west side of Old Voss that the Creekwood neighborhood is halfway finished, but we can't get the weather to cooperate! Should be done in the next few weeks and will be beautiful.

-You have seen Centerpoint's tree cutting crews the past few weeks cutting and clearing in the right of ways. I know it's been a bit of a mess, but we have to do this every few years to keep the lines clear and power flowing, thanks for your patience.

-With all this rain, we have begun Mosquito spraying 2 times per week, across the Village.

-High School sports are in full swing and we have many residents starting for Memorial High, Kinkaid and Second Baptist teams, go out and catch a game, they're great!

OK, that's all folks.....First cold front coming soon.

As always, call or email any issues to me at City Hall,

jimpappas@cityofhuntercreek.org

Jim Pappas, Mayor
