Hello Neighbors....Almost Springtime in Houston....You know what that means....A/C...HEAT....A/C....HEAT...(repeat for two months), then here comes the Pollen.

HERE'S THE SPRING UPDATE:

-Our lovely City Hall Pavilion is nearly complete. The Contractor has been weather delayed and missed the original Halloween date, then Thanksgiving date, then Christmas date, then Valentines date, now we're looking at Tax day to be done....(and yes, he's gotten an earful from me). Call and schedule with Jessica at City Hall for Birthday parties, Neighborhood meetings, whatever you want.

-All of the work is done at Voss and Memorial except for the Mast Arm installation, we're still waiting on those from the fabricator, (and yes, he too has gotten an earful from me). Should be done in the next few weeks.

-Special Thanks to our own Ralph and Ticia Sauer, owners of South Texas Brick and Stone, our generous residents who donated the Bricks for the Pavilion.

-Special Thanks to our local Custom Home Builder, Steve Goodchild with Goodchild Builders for his work on the roof construction and Cupola design.

-Also Special Thanks to Cobb Findley, our engineers and Olson and Olson, our City Attorneys, for their generous contributions towards furniture for the Pavilion.

-Our extensive Village Fire Department rebuild/remodel is proceeding nicely. Councilman Jay Carlton has spent countless hours overseeing that process, making sure we are within our budgets and getting a first class facility for our first class Fire Department. Many thanks Jay for your tireless work on this project.

-More LTC and CPR classes coming throughout the Spring, so be sure to sign up when you get our notifications, the classes are still filling up fast.

-Our Farmers Market has several new vendors and the weather's awesome, so go out and support them.

-Our own First Congregational Church will be holding their annual Piano Festival, see flier attached. FREE EVENT

-An email was sent out earlier in the week about our Arbor Day Tree deal. Thanks to Councilman Chip Cowell for spearheading that great effort again. Go buy a tree and make Chip happy.

-The repairs on Voss, North of Beinhorn are complete and the guardrail has finally been repaired! All good until it gets hit again.....

OK, that's all the news, Spring Break is right around the corner.

Mayor Jim Pappas
