

City of Hunters Creek Village Phone: 713-465-2150 [www.cityofhunterscreek.com](http://www.cityofhunterscreek.com)

Hope everyone's enjoying the beautiful week of weather we've had.

As promised, here are the highlights from last week's Trash Summit that only 70 people attended, and no, watching the game is not an excuse....

I have a great option that has come up since our meeting that will save the City a good deal of money and satisfy the Recyclers desire to continue the program and enhance it. Don't want to spoil it till it's done, so will get back to you on that.

The attachment and video link are designed to educate and re-educate us all on the recycling do's and don'ts moving forward. [WCA single stream recycling](#)

Please get going Astro's.....I need a free mattress.

Jim Pappas, Mayor
